Venue

Lord Patron - Mr Philip Lambert – HAA Chairman

Judges: Pat Kerrigan and William Kinsella

**Organiser Barbara Anscombe, 33 Hunters Close, Tring, Herts HP23 5PQ
Tel:07432590592**

Weather: A dry start, but light rain during the morning, with strong wind. Over lunch the sun appeared, temperatures rose, as did the wind speed. After 1 end of the second distance, the Judges were very concerned about safety and following discussion with the organiser and archers, abandoned the event. All results are awarded based on 6 dozen arrows.

I wish to record my thanks to those happy few, who assisted in setting up the field the day before. On the day many, many thanks to ALL who assisted by moving targets, signing in attendees, sorting trophies and medals, selling and folding raffle tickets, providing lunch for the officials, clearing the field, loading the transport and stopping results paperwork from flying away! An efficient few also assisted in returning equipment to the store.

Sadly, on checking the results many score sheets had incorrect totals for hits and/or score. Some archers had even signed their score sheet with NO totals inserted. Corrections have been made. Please remember to check in future. Tournament organisers should NOT have to add up your scores sheets.

I am sure you all arrived home with wind burn for your efforts! Apologies once again for the curtailment of the event, but safety must come first.
