## Thank you's

Many thanks go to all those archers who came to help set up on the previous day, Tony Ferguson, Ben Horner, Liam Fairweather, Sam Fairweather, Philippa Armitage, Nathan, Peter Sweetman, Paul Jackson and to Kevin Hill for helping me get equipment back into the County store after everyone had departed. 10:30 is late enough I think.

Many thanks to our brilliant team of Judges.

I know everyone would like to thank Graham Kates for being such a good field party. I hope the beer goes down well.

Thanks also go to James, Anne and Pippa Salmon for once again running the raffle tickets and refreshments. Thanks to Carol Clark who helped James on the day.

A special thanks go to Tony Ferguson who made a great job in his first official duty since taking on the role of County President.

Many thanks to Andrew at Perris Archery who supplied a number of raffle prizes and all the target faces for the day.

For all the clubs who donated prizes for the raffle then many thanks

Many thanks to all the archers who braved the sunshine but did have iced water and buckets of coolish water to dunk their hats into.

Lastly a massive and heartfelt thanks to Rachel Boynton, without her support and organising the judges lunches the tournament would have been much harder, and breath...

Without all the support the day before and one the day these events would be extremely hard to organise for you, so if you would be interested in organising an event then please contact the County committee who will make sure support is in place to help you along your journey.
